

Explore Nashville: Family Fun

Cumberland Park – An innovative play space for children incorporating unique play structures and water features. This 6.5 acre park includes a “Sprayground” water play area; “The Hollow,” a nature and play area that includes a bounce pad and splash pad; “The Scoops,” a cooling off area that features a stepping-stone path with mist features; and “The Gorge,” a stone climbing wall with embedded fossils, climbing nets, and sliding poles.
